

How To Reset A Verizon VX 5400 Phone Back To Factory Defaults

--To reset a Verizon VX 5400 phone back to the factory defaults you will need to follow the following steps.

- 1) Select Menu on the Phone
- 2) Go To Settings and Tools
- 3) Go To Phone Settings
- 4) Go To Security
- 5) Enter you lock code (this is normally the last 4 digits of your phone number).
- 6) Go To Reset Defaults
- 7) Press Ok
- 8) Press Ok
- 9) Press Ok
- 10) Phone will reset.
- 11) That is all you have to do. Your phone should now be back to the factory defaults.
